### Congratulations LUKE !!!

I handed over Luke Thomas's well deserved second place prize in cold and rainy weather at Northgate today, but that didn't dampen our spirits.

Luke was stoked to receive this stunning Mystic Warrior 2 waist harness, and plans to put it to good use at Crayfish factory in big surf this weekend. For those of you that know Luke, he got a dynamic style and regularly pulls off jaw dropping moves.

Many thanks to Bruce and Rob Chrystal at Ocean2Air for the generous prize : 

Anton Nel will be getting a custom [Airtool](#) speedboard in the near future, so expect further improvement from him when he gets properly acquainted with it.
